
PBIS Store - WB Middle School

Venture Grant - 2023-2024

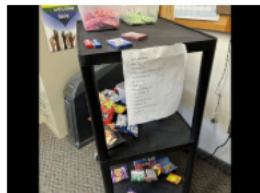

The West Branch Middle School is grateful to have received a Venture Grant to fund our PBIS store this year! Throughout the year, students have been able to earn points digitally when they met our behavior expectations (SAFE, PREPARED, and RESPECTFUL). With these points, they have been able to purchase prizes online. The idea is that this positive reinforcement will increase the likelihood of the positive behavior happening again. Once students purchase prizes, they receive them at our office window where they are given out by Mr. Caldwell's kindness club.

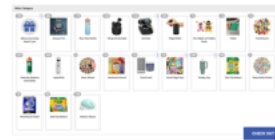

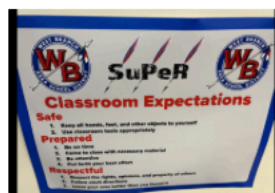

In addition to students purchasing prizes with their points, we have a snack cart where students can purchase food with cash. This money goes back into buying more prizes as made almost \$500. We are on our way to having our store become self-sufficient!

Popular Items

Trident Gum, snack size candy bars, Nutella, Air heads, Starburst, fidget toys, wireless mouse, V Bucks gift cards, pencil lead, water bottle stickers

Students can purchase snacks from the cart on Wednesdays

Students are able to select what they would like to buy based on their point balance from our online store
